THE LIVING AGE

E Pluribus Unum

'These publications of the day should from time to time be winnowed, the wheat carefully preserved, and the chaff thrown away.'

'Made up of every creature's best.'

'Various, that the mind
Of desultory man, studious of change
And pleased with novelty, might be indulged.'

Volume 348
March, 1935 — August, 1935
